20 March 2019

Dear Parents / Carers

Revision Workshops Wednesday 3rd April 2019 - 6:00-7:30pm - Key Stages 4 and 5 Parents

Following the success of the Parents' Information evening on supporting students with their examinations, I would like to invite you to an evening of workshops to support parents in understanding revision and examination techniques. The evening will take place on Wednesday 3rd April from 6:00pm to 7:30pm.

The evening will begin with an introductory session on how to write an effective study timetable. Following this, there will be several stalls for you to visit for 10 to 15 minutes to find out about a range of study ideas. Examples of these small workshops will include:

- Understanding the 'language' of examinations, to know how to answer a question.
- 'Blurting' revision technique
- Cornell Method of Notetaking
- Revision within Mathematics
- Understanding Tassomai (Science)
- Spaced Learning
- The right (and wrong) ways to make usable flashcards

Much of this information has been shared with students, through subject lessons, PSHE and revision workshops, so students need not attend, but can do to refresh their knowledge and understanding if they wish.

If you would like to attend this event, I would be grateful if you would complete the reply slip below and return it via the brass letter box, so that we can ensure there is sufficient seating.

We hope that you find this evening useful in supporting your son/daughter with their examinations.

Yours sincerely

MRS L BERRIDGE

Director of Sixth Form Studies

✂-----

Please return to Mrs Berridge via the Brass Letter Box.

RE: Revision Workshops - Wednesday 3 April 2019 - 6-7:30pm

I / we shall / shall not be able to attend the Meeting.

Total no. of seats required
