Dear Parent / Carer

**Re: Topic Booklets**

To support your child's progress and achievement in English, the English Department has produced study materials containing a wealth of resources which will help to support and promote your child's learning.

These study booklets will be issued throughout the year. Therefore, if your child would like their own materials to annotate, mark, use and take home, the cost will be £7.50 to cover the entire year.

The English Department strongly believe in enabling your child to reach their full potential at St Bernard's and as part of our commitment to this, exciting new materials have been made available to enhance learning.

If you wish to take advantage of this, please make your payment via Parent Pay allocating funds to **'English Topic Booklets'**.

If you are eligible for financial support, these booklets will be issued to your child throughout the year and the cost funded by the school.

Yours sincerely,

Mrs L Barrett-Porter  
**Head of English**
