

9th December 2025

Ref: HEB/hsa

Dear Parents / Carers,

Christmas Dinner 2025

Christmas Dinner will take place on Tuesday 16 December 2025.

Each year group will have their meal together along with form tutors and other staff.

The meal will comprise of a traditional two course Christmas dinner along with drink and crackers. Vegetarian and special diet requests will also be catered.

Students will be able to purchase breakfast on the day, but no other food will be available except Christmas dinner, so students should bring snacks for break and a packed lunch if they prefer.

As I am sure you are aware, supplies of certain food is proving difficult to source, so we would be grateful if, when your child is asked by their form tutor, they could let them know if they would like a meal.

The cost of the meal will be £4.95, and this should be paid in advance on ParentPay. The school will meet the difference if your child is on Free School Meals.

This is always a fun time that in past year's students have enjoyed.

Yours faithfully

Mrs H Barnes
Headteacher
