

22nd April 2026

Our ref: MBE/hsa

Dear Parents/Carers,

We're pleased to let you know that your child will be bringing home an updated extra-curricular booklet, outlining the range of activities available this term. You can also find a copy on the school website under:

[Extra-Curricular - St Bernard's High School](#)

We encourage you to take a few moments to look through the booklet together with your child and talk about which clubs they might enjoy, as well as any study support sessions that could be helpful for them.

This term, we're excited to be offering various new clubs. In particular, the PE department will be running off-site Athletics clubs, giving students the chance to try a variety of track and field events. Our new house captains are also introducing some fantastic lunchtime opportunities.

Our extra-curricular programme has been very well attended this year, and we warmly encourage all students to get involved in at least one club each week.

You can continue to keep track of your child's club attendance via the Edulink One website or app by selecting the 'Clubs' icon.

Kind regards,

Mrs Bell

Mrs. M. Bell
