

19<sup>th</sup> January 2026

Dear Parent/Carer,

Complimenting the Revision Evolution programme, we are opening the Library each Monday from 3.20pm until 5pm for Year 11 students only. The first session commences on **26<sup>th</sup> January at 3.20pm in the Library (St Helen's Centre)**.

This is the 'Revision Hub' and it will be a place for Year 11s to revise in a quiet and safe area with printing, laptops, books and guidance from a teacher and a Year 12 student.

Students can choose to either revise independently, or gain support in the following:

- Creating a revision timetable
- Understanding interleaved revision
- Creating and using effective mind maps
- Using dual coding
- Using past papers to understand gaps in knowledge
- Creating and using flash cards effectively using the Leitner method

Students will be able to bring their own i-pad into the Library for revision or make use of the laptops provided. If students bring their i-pads to these workshops, the school does not accept any responsibility for them.

Additional supplies will be available to purchase including flash cards and revision guides; prices are on ParentPay.

If you would like your daughter to make use of this opportunity, please complete the Microsoft form which is linked below. Students can attend all sessions up to half term, or choose which sessions are most convenient. We do expect students to attend these sessions for the full 100 minutes.

If you have any questions, please contact the school.

Yours faithfully,

Mrs Bailey

**Assistant Headteacher**
