

23rd January 2026

Dear Parent/ Carer,

I am writing to let you know that all Year 12 & Year 13 students will not be required to attend school on Friday 6th February 2026. We are running the Year 11 taster day on this date and cannot facilitate the day without freeing up the sixth form area. The incoming Year 11s find this very useful and many of your children will have benefited from this event when they were in Year 11.

This will act as one day of study leave for the Year 13s as their second mocks begin on Monday 9th February. In the summer exams students will have study leave unless we have major concerns about their grades. This is a good opportunity to practice the habits needed during study leave with just one day off before the second set of mock examinations. Yr 13 mock examinations run from 9th Feb to the 27th Feb. Please remember we have half term week from Monday 16th – Friday 20th February within this time.

Year 12 students should use the day to complete set work and to study for any upcoming assessments.

Yours sincerely,

Mrs Owen
Assistant Head Teacher (Head of Sixth Form)
