

Dear parent/carer,

Year 12 Work Experience Week: Monday June 29th – Friday 3rd July 2026

We are pleased to share that Year 12 Work Experience will take place between Monday 29th June – Friday 3rd July 2026.

Learning Outcomes:

Modern Work Experience helps young people make informed choices and build future career readiness. Guided by the ***Equalex framework***, our students will apply their knowledge and skills in real workplace settings while receiving valuable employer feedback. Reflection will help them challenge stereotypes and raise future aspirations linked to their career interests and skills.

Self-Placement

At St Bernard's High School, we encourage students to research and apply for work experience placements independently, helping them build confidence and career readiness. Our Sixth Form team is always on hand to support students throughout the process.

About the Unifrog 'Placement' Tool

We use Unifrog (www.unifrog.org) to manage the administration of the work experience programme. All students have a Unifrog account – see Mrs Phillips if any issues. The deadline for students to upload their placement onto Unifrog is **Monday 18th May 2026**.

Parent/Carer Online Information Session

We invite parents and carers to learn more during an online Teams information session to be held on **Wednesday 4th February** between **5.30 and 6.30pm**.
