## UCAS and Future Pathways information evening follow up

Dear Parent/Carers,

Thank you to those who were able to attend our Yr 12 UCAS and Future Pathways information evening. It was great to see many of you in person to explore your child's next steps. Please see attached the PowerPoint we shared:

[Yr 12 UCAS Information Evening 2025-2026 cohort.pptx](#)

Before half-term we had a successful Future Pathways Day with the students, and they have started thinking seriously about their futures. Your support in this process is invaluable, and we hope you will actively use UNIFROG the main platform which will help students to explore their next steps.

We have several events planned for HT6 which will support your child in choosing their next steps including a Personal Statement workshop, UCAS fair and each week we will use form time on a Wednesday and a Friday for them to be considering their next steps. We have also dedicated several Enrichment sessions to explore their next steps. If you have not granted consent for the UCAS fair on the 10th of June please do ensure this is granted for your child.

The most important thing students can be doing now is continuing to study and work hard towards their A levels as these will be the key to securing the futures they desire.

Kind Regards,

Yours faithfully,

**Mrs Emily Owen**  
Assistant Headteacher – Head of Sixth Form
