19 April 2024

Dear Parents and Carers and students,

**Year 10 Internal Exams**  
**Thursday 6<sup>th</sup> June 2024 – Monday 24<sup>th</sup> June 2024**

I am writing with regards to the planned Year 10 internal exams.

The end of Year 10 exams will take place between Monday 6<sup>th</sup> June and Monday 24<sup>th</sup> June. Exams will take place in the exam hall and under strict exam regulations.

We will follow the exam regulations to allow students to experience the setting and familiarise themselves with the examination room.

Students will be informed the units they need to revise for these exams in advance, but we recommend their revision of year 10 is continuous in order to support their progress in Year 11.

If your child is eligible for extra time, and there is an afternoon exam, please be mindful that some exams may over run. For example, on Thursday 20<sup>th</sup> June, there is a science exam and if your child does separate science and has extra time this may overrun by approximately 20-30 minutes.

The Year 10 mocks will form part of the evidence of the tier entry of a subject, Higher or Foundation and their predictions. We can only base tier on evidence we have seen through mocks therefore, I would encourage students to ensure that they are revising thoroughly. It is important that students are aware of this.

All morning exams will start at 9am and afternoon exams will start at 1.30. We will arrange an early lunch so students are ready for the 1.30pm exam. Students must ensure they arrive on time for all exams or they may be refused entry.

Students will have a detailed assembly with the full plan and if they have any questions, they are welcome to come and see me.

We wish them the best of luck.

Yours sincerely,

Mrs M Allitt.
